SOME THINGS NEVER CHANGE

“Man,” Jay said, grimacing with disgust, “this place looks like hell . . .”

My best friend was referring to the old neighborhood where we had both grown up. Sitting there in the passenger seat, he sighed wearily as I wheeled into the student parking lot.

“Here we are,” I remarked. “Just like old times.”

“Hardly,” Jay muttered.

It had been ten years since either of us had returned to our alma mater. And with good reason. The neighborhood had gone to the shitter. High crime and urban blight had taken an immense toll on the area. Having long since moved to the suburbs, my friend and I had had no reason to revisit our old stomping grounds.

Until a few days ago.

That’s when we had both learned that the building was to be demolished at the end of the school year. Dwindling enrollment had led to the school district’s decision; come August all students would be attending some other high school.

Wanting one last look at the old place, Jay and I had embarked on today’s adventure.

Apparently, we weren’t the only ones. Another car was parked in the student lot. It was Saturday. There was no reason for anybody to be there. Hell, we shouldn’t have been there. Neither of us had told our wives as we hadn’t wanted them to worry about our safety.

Yes, the area was that bad.

Robberies and murders were commonplace. For this reason, I had brought

along a handgun. Just in case . . .

I cut the engine, reached over Jay’s knees, and opened the glove box. My friend whistled when he saw the gun. The .32 auto felt good in my hand, its weight reassuring.

“Let’s do this,” I said to Jay.

He was already getting out of the car.

Breaking into the building probably wasn’t the brightest idea, but we had wanted to walk those hallowed halls before they succumbed to the wrecking ball.

After all, this was to be an adventure. Just standing outside and staring at the building’s drab exterior would have been anticlimactic, a letdown of major proportions.

Gaining entry had been easy enough. The building was ancient, with no electronic security system to speak of. An unlocked faculty lounge window had been our point of ingress.

Now we combed the empty corridors, revisiting old classrooms as we made our way through the building.

“It’s just like I remember it,” Jay said.

“Some things never change,” I replied.

Jay regarded me with a devilish grin. “That reminds me.” He reached into his coat pocket and pulled out a pack of cigarettes.

“You still smoke?” I asked him.

“I do today. Come on, man. I’ve just

gotta' smoke one last cigarette in the boys' room."

"Be my guest," I said. "They're your lungs."

No sooner had we reached the door to the boys' room than we froze in our tracks. The noise had come from the nearby girls' room.

Jay looked at me. "Somebody's in there."

I thought of the car in the parking lot. A fellow alumnus, I reasoned, had shared our desire to revisit the school. Either that or some random vandal had broken into the building.

"What should we do?" Jay asked.

"I don't—"

"OH,
YEAH! JUST LIKE THAT! FUCK ME, BABY!"

Jay and I looked at one another and smiled. Some chick was getting pounded in the girls' room! And I couldn't speak for my friend, but I was dying to know who. Perhaps I knew her, perhaps she had been a member of our graduating class . . .

Stowing the gun in my coat pocket lest I scare the restroom lovers, I moved past Jay and pushed the door open.

You know the cliché . . . the one about the hot

high school cheerleader who gets old and fat? Well, it may be true in some cases, but Lacy Lennon was the exception to the rule.

Ten years had done nothing to detract from her good looks. Hell, she looked even better now. Her old cheerleader uniform fit her perfectly. That hadn't changed. And she was still an unabashed slut. Thankfully, that hadn't changed either.

I didn't recognize the guy fucking her from behind. Lacy's husband? Boyfriend? Not that it mattered.

Having lifted Lacy's skirt and lowered her panties to her knees, he fucked her from behind, banging her good and proper as she braced herself against the tile wall.

"What the hell—" he started to protest.

"Don't mind them, Bob," Lacy cut him off. "That's Jay and Mike. They were in my graduating class. I'm sure they're here for one last trip down memory lane before the school is torn down. Am I right, fellows?"

I was too enthralled with the scene to speak.

"Actually," Jay said, "I was going to smoke a cigarette in the boys' room when I heard you two—"

"Perfect timing," Lacy said. "Bob was just finishing up."

Bob pulled out and jerked off on her beautiful bum. "Who's next?"

Jay and I were speechless. Lacy said, "He's serious. Bob doesn't mind one bit. In fact, he loves to watch."

"Are you guys married?" Jay asked.

"Happily," Lacy said. "Now shut up and get over here."

I'm proud to say that Jay and I overcame our initial shock and put on quite a show for Lacy's spouse. The exhibition began with Lacy crouching on the floor and servicing both of our dicks at the same time. She gave spectacular head and was most adept with the handjob, too.

Jay and I were harder than algebraic word problems when she hopped up on the sink counter and spread her legs.

I hesitated, looking at my friend.

"Go on, man," he said. "Coming here was your idea anyway."

I pushed Lacy's skirt above her hips and moved into position, skewering her pussy with my stiff cock. Meanwhile, Jay stood there beside the counter as she stroked his member.

I thrust repeatedly, plunging my prick faster and faster, relishing the sensation of her tight clenching cunt. “There you go,” Bob said. “Fuck that pussy . . .”

I don’t know if it was her husband’s encouraging words, Lacy’s snug snatch, or a combination of the two, but I barely had time to pull out before firing my wad. As for Jay—well, he got so excited he came right then and there, shooting his load as Lacy shucked him with her hand.

The four of us left together through the window in the faculty lounge, bidding a fond farewell to our alma mater before parting ways in the parking lot. Driving back to the idyllic suburbs, a silent and reflective Jay beside me, I was most thankful that I hadn’t had to discharge my gun.

At least not the one in the glove box!

HOT TO SQUAT

It was a typical Saturday in that I was running errands, taking care of things that I didn’t have time to deal with during the workweek. I had just left the drug store when Felix called.

My old college buddy lived out of state but he still owned a handful of rental properties in the area. I served as rent collector and, when the job wasn’t beyond my abilities, maintenance man. This was a side gig—a favor, more or less, for a friend.

Felix paid me well. And God knows I needed the money. My fulltime position picking orders at an auto supply warehouse wasn’t exactly making me rich.

“Bobby,” Felix said in his usual chipper voice, “how goes it?”

“It goes,” I replied into my cell phone.

He didn’t waste time, getting straight to the point as I waited at a red light. One of his properties, a small one bedroom apartment, had recently gotten a new roof. He wanted me to swing by and make sure that the roofers had cleaned up their mess.

“Not a problem, Felix. I’m on my way.”

“You’re the best, Bobby. I really appreciate it.”

I clicked off and headed to the apartment. The place was just a few blocks from the drug store. I parked on the street and got out of my car. The apartment was vacant, a FOR RENT sign staked in the tiny front yard. The new roof looked nice. Even better, the roofers had hauled away the old shingles. Not a single scrap of debris littered the grass. Felix would be pleased.

Standing there in the front yard beside the sign, I started to call my friend with the good news when I saw a shadow pass behind the curtained window.

Somebody was inside!

Or had my imagination gotten the best of me?

Well, I thought, there was only one way to find out.

Of course I could’ve called the police. In hindsight, I’m glad that I didn’t. But I was no fool. Nowadays you can’t be too careful. Having retrieved my handgun from the glove box of my car, I stalked across the yard to the front entrance.

As rent collector, I had a key to all of Felix’s properties. I unlocked the door, crossing the threshold of a tiny kitchenette. Gun in my hand, feeling slightly foolish, I said, “Hello? Anybody here? This is private property. I suggest you leave before—”

A cough cut me off. Steeling myself for a confrontation, I raised the gun and rushed into the small living room.

“Don’t shoot!”

The redhead cowered in the corner. She looked

harmless. I lowered the gun and breathed a sigh of relief.

A sleeping bag was spread out on the hardwood floor. I saw empty soda cans, a few dog eared paperback novels, and a backpack. It didn't take a master detective to decipher what was going on here. The redhead was a squatter.

"How the hell did you get inside?" I asked.

"Bathroom window," she confessed. "It wasn't locked."

"You can't stay here," I told her. "You'll have to leave."

She came out of the corner and started packing up her meager belongings. I felt sorry for her. Clearly, she had fallen on hard times. Or maybe not; perhaps she was one of those college educated bohemian types who refused to work.

Either way, she was most easy on the eyes.

Mine mentally undressed her as she collected her things. She wore cutoff denim shorts and a halter top, leaving little to the imagination. Hers was a lithe body, lithe and tanned from hours in the sun. It wasn't hard to imagine her walking along the side of the road with her thumb pointing at the sky.

A man would have to be a fool not to pick her up.

"On second thought," I said, "maybe you can stick around."

She paused in her work, regarding me with curiosity.

"At least," I added, "until we rent the place."

"We?"

"My friend owns the apartment. I'm just the rent collector."

"Are you serious?" Hope shone in her blue eyes. "I can stay?"

I eyed her hungrily. "That all depends . . ."

She didn't take much coaxing.

If anything she proved to be the aggressor; it must've been a long time since she had had some cock because she surely devoured mine. `

Having gotten undressed, I lay there on her sleeping bag, my head propped on a folded blanket as she gobbled me. Her head pumped nice and slow,

at first. Then she increased the pace, working up to a frenetic priming motion which damned near made me blow my wad right then and there.

Thankfully she knew when to withdraw for a breather and allow me to recover. Wiping her mouth with the back of her hand, she said, "Sucking dick always makes my pussy wet. I'm ready to ride you, baby."

"Be my guest," I said.

She was a squatter, you bet.

In more ways than one!

I admired her tight ass as she turned her back to me. Straddling my midsection, she grasped my stiff rod and squatted, lowering her slender hips deftly onto it.

Her pussy was wet. And oh so tight.

She rode me hard, bouncing her skinny ass on my pole with mounting excitement. "Oh, yeah! Your cock feels so good inside me! I fucking love it!"

Her muscles clenched me in orgasm; she groaned and shuddered as I, too, climaxed, my pulsing prick creaming her cooze.

This happened two weeks ago. The apartment is still vacant. Of course my pulling up the FOR RENT sign has a lot to do with this. I stop by to see my favorite squatter every single day. We're having ourselves a lot of fun.

As for Felix—well, what he doesn't know won't hurt him!

Brett and India have been friends since their sorority days. In the four years they lived together in their sorority house, the girls never truly experimented with each other. Brett was always curious though and had wanted to taste her friend. Brett was all about pussy, and it didn't take much to seduce India. Today is not much different.

A good pizza's like a great fuck

I had spotted a photo of Tiffani hanging in the hallway, more than enough to pique my curiosity and ignite my dirty mind.

Max gave me the grand tour. He was immensely proud of the place, showing me every nook and cranny, even the shady backyard with its meticulously landscaped flower beds. I was jealous. His house put my shabby little apartment to shame. One of the perks, I reasoned, of having a successful girlfriend. Max's old lady was an architect. She was the breadwinner, of course. Without her he wouldn't have had a pot to piss in. See, Max and I were a couple of Gen X slackers, educated yet perpetually underemployed. We worked at a local pizzeria, Max as a cook, yours truly delivering piping hot pies in my piece of shit hatchback.

His girlfriend had gone out of town with her parents. Max relished her annual beach vacation as he had the place to himself for a whole week.

"Don't get me wrong, man. Kelly is awesome," he said after the tour had ended, "but it's nice to have some solitude for a change of pace. I can get drunk, throw my dirty clothes on the floor, and let the dishes pile up without having to listen to her bitch . . ."

"Party time," I remarked wryly.

"You bet," Max replied. "Which reminds me—we're out of beer . . ."

I offered to ride with him to the store, but he wouldn't have it. "Sit down and relax, Pete. Make yourself at home. I'll be back in a jiffy."

No sooner had Max backed out of the driveway than I made a beeline for his stepdaughter's bedroom. During the tour Max had referred to Tiffani's space as a biohazard. Now,

entering the messy room, I had to agree. The place was a disaster area. Unmade bed. Clothes strewn will-nilly. Empty drinking glasses on every available surface.

"Gen Z slob," Max had called her. He was constantly butting heads with his stepdaughter and couldn't wait until the end of summer when she would be leaving for college. "Two more months," he had said with a shit-eating grin. "It can't get here soon enough."

I had spotted a photo of Tiffani hanging in the hallway, more than enough to pique my curiosity and ignite my dirty mind. She was a hottie, a sexy little redhead with a light dusting of freckles and beautiful green eyes. I felt like a lowlife for rummaging through her stuff. Still, I couldn't help myself. The house belonged to me until Max returned with the beer. I wasn't about to let such a golden opportunity slip through my fingers.

It didn't take me long to find what I was looking for. The drawer was filled with Tiffani's panties. Just looking at them made my pulse pound, my cock stir . . .

I opted for a peach-colored cotton brief. Sitting there on the edge of the bed, my cargo shorts and boxers bunched around my sneakers, I wrapped the panties around my dick and proceeded to stroke myself. The panties were nice and soft, perfect for masturbating. Jerking my hand up and down, I peered at a framed photo atop the nightstand. Tiffani and another young lady, undoubtedly her best friend, mugged goofily for the camera. The friend was a hottie, too, a pale brunette with a subdued Goth appeal.

My cock exploded like a pipe bomb. Cum spewed from my engorged glans, rope after rope, much to the delight of Tiffani who watched with wide-eyed amazement.

My dirty mind conjured images of torrid girl/girl action. Tiffani going down on her friend, then vice versa. Heart hammering, excitement mounting, I worked the panties faster and faster and faster . . .

"Who the hell are you!?"

I started with a gasp. The heat of shame flooded my face as I sat there, busted, with cock in hand. "I—um—uh—"

One would think that Tiffani would have been frightened to find a stranger tossing off in her bedroom. But no. Max's stepdaughter was fearless, a regular pistol. She plunged a hand into her oversized beach bag and produced a canister of pepper spray.

"I'm Max's friend!" I raised my hands in a defensive posture. "Don't."

Tiffani stood there framed in the doorway, pepper spray held menacingly at the end of her spindly arm, regarding me shrewdly. "You're Max's friend?"

"Yes."

She chuckled. "I didn't know that loser had any friends."

"I'm Pete. We work together. At the pizza place."

She returned the pepper spray to her bag, a canvas job which, judging from her swim attire, was surely stuffed with tanning lotion, sunglasses, flip flops, and other accoutrement one would take to the beach.

I removed her panties from my junk, placed them beside me on the bed, and started to pull up my shorts.

"Wow," Tiffani said, "you've got a really nice cock . . ."

Her words froze me.

"Bigger than my boyfriend's. A lot bigger."

I was flattered but didn't say a word.

"Go on and finish what you started . . ."

Now, in addition to being flattered, I was stunned.

Tiffani grinned impishly. "Come for me, Pete. I want to watch you shoot a big load."

"Max will be back any—"

"Better hurry, then."

My eyes roved all over Tiffani's lithe body. She wore a blue bikini top and a pair of red satiny soccer shorts. Her stomach was flat, hips slender, legs spindly to match her arms.

"Now or never, Pete. Last chance . . ."

I grabbed the panties and went to work. Stroking myself in the presence of Tiffani added a whole new dimension to the proceedings. My cock was harder than it had ever been. The threat of Max walking in on us heightened my excitement. Tiffani moved closer to the bed and crouched on the floor, her face just inches from my pumping hand and turgid dick.

"That's right," she said, "stroke it good . . . make it shoot . . ."

Tiffani removed her bikini top and let it fall to the floor. The dark red nipples capping her smallish tits were stiff. She pinched and tweaked them, biting her lower lip.

"Oh, shit!" I cried out.

My cock exploded like a pipe bomb. Cum spewed from my engorged glans, rope after rope, much to the delight of Tiffani who watched with wide-eyed amazement. I wanted her to lick me clean but there just wasn't enough time. Max would be coming through the door any minute now toting a twelve-pack.

"Thanks, Tiffani." I pulled up my shorts and rose from the bed. "That was fantastic."

"Not so fast." She swiped her panties from the bed and stuffed them inside the pocket of my cargo shorts. "A souvenir . . ."

I was sitting on the sofa watching an old spaghetti Western when Max returned. "Sorry I took so long," he told me. "Traffic was a nightmare."

"No sweat, man."

"When did Tiffani get back?"

"Right after you left."

"She wasn't rude, was she? I hope not. She can be a real bitch sometimes."

"Not at all, Max. Not at all . . ."

It was about two weeks later when the order came in. Max made the pizza and slid it across the passthrough. As a cook, he didn't know where the orders were going. That was my end of things. And I didn't look at the address until I was seated behind the wheel of my shitty hatchback. Max's place. Well, Kelly's place. After all, she was the one who paid the mortgage. Max just helped out with food and the occasional utility bill.

It was late afternoon, a weekday, meaning

the pizza couldn't be for Kelly. A bigshot architect like herself would be hard at work. That meant one thing . . .

Tiffani.

I hadn't seen nor heard from Max's stepdaughter since that wild day in her bedroom. But I had thought about her plenty, more often than not with throbbing dick in hand.

I whipped into the driveway, slid out of my car, and walked to the front door. I didn't even get a chance to ring the bell before the door opened. Tiffani and her friend, the pale brunette from the nightstand photo, greeted me with identical grins. The smell of pot punched me in the face. Their eyes were glassy and red. Stoned out of their gourds, I thought.

"We got the munchies," Tiffani stated the obvious.

Her mildly Goth friend giggled.

"This is Laura," Tiffani told me. "Laura, meet Pete."

"Did Max make the pizza?" Laura asked. "I sure hope not. That idiot always uses too much sauce . . ."

"Another guy made it," I lied.

"You can never," Tiffani remarked with a lewd leer, "have too much sauce . . ."

Laura giggled again, louder this time, which threw me. Weren't these black haired, pale faced, dark eyeliner chicks supposed to be gloomy and morose? Must be the pot, I reasoned.

"You two have fun." I turned on my heels.

"Ah, come on." Tiffani grabbed my arm. "We were just about to smoke another bowl."

"Well," I said, "in that case . . ."

The pizza was all but forgotten beside the sink as we sat at the kitchen table and got high via Tiffani's bong. The remainder of my shift would be a good one. Delivering pizzas could be awfully boring; but today—well, today I would be feeling no pain.

"It's been fun, ladies." I got up to leave.

Tiffani and Laura exchanged a glance. Next thing I knew they were kissing. I stood there,

utterly transfixed. Their tongues tangled. Laura slid a questing hand between Tiffani's legs. Tiffani repaid the favor. Their kissing intensified.

My cock responded accordingly. I lowered my shorts and proceeded to jerk off, but Tiffani stopped me. She slid out of her chair and knelt before me. She was young, sure, a card-carrying Gen Z chick, but her cock gobbling skills were those of a much older and experienced woman. Tiffani glided her tongue up and down my shaft; this while massaging my balls.

Meanwhile, Laura had raised the hem of her short black dress. Black lace panties contrasted alluringly with her skinny white thighs. She pushed the panties aside, exposing a cleanly shaved pink gash, which she diddled with deft fingers. Watching her friend suck my cock turned her on something fierce. She pushed two digits inside her cunt and commenced to pumping, fingerfucking herself.

"There you go, Tiff," she said to her friend, "suck that dick . . ."

Laura's words prompted Tiffani to double her efforts. No longer content with polishing my pole, she dipped down and serviced my ballbag, licking and lapping my nuts in gloriously sloppy fashion. A strap had fallen from Laura's shoulder, uncovering an adorably itty-bitty tittie. One hand still buried between her legs, she used the other to rub and tweak a stiff nipple.

"I'm gonna' come!" Laura squirmed in her chair, her face twisted with pleasure as she pumped her hand faster and faster. "Oh, fuck!!!!!!!!!!!"

Laura's exuberant display coupled with Tiffani's talented mouth pushed me over the edge. I grunted loudly and shot my load all over Tiffani's face.

Moments later, her freckled features smeared with cum, she dropped her shorts and stood in front of Laura, all but ordering her friend to finish her. Laura pressed her mouth to Tiffani's moist cunt and brought her to orgasm in fine fashion.

I told them to enjoy the pizza. Then I drove back to work. A tall stack of boxed pies greeted me. "What took you so long?" Max frowned. "We've been getting slammed . . ."

"Sorry, man," I offered lamely, thinking about what his stepdaughter had said.

You can never have too much sauce . . .

Tiffani had definitely spoken from experience!

The remainder of my shift would be a good one. Delivering pizzas could be awfully boring; but today—well, today I would be feeling no pain.

Shay walks into the kitchen to cool off. Stuck wearing panty hose at the office all day, she wants her body to breathe. This hottie slowly strips them off revealing her gorgeous gams and luscious pussy. But today's our lucky day as she drops her top and bends over to show her assets.

A woman with short dark hair and bangs is shown from the back, leaning forward in a kitchen. She has several small, dark, teardrop-shaped tattoos along her spine. Her right hand is resting on her left shoulder. The kitchen has light-colored wooden cabinets and a white range hood is visible in the background.
